This quarter, we began working with one of the largest media groups in the world, **Dentsu Aegis Network**, on their Global Early Careers Programme. With the objective of helping them hire for their Graduate Rotational Scheme, starting January 2019, our solution was to build a bespoke microsite in order to promote the opportunity to our vast database and wider student network. We are also managing the site by responding to all applications, vetting the top candidates and arranging a 40-person assessment day for Dentsu Aegis Network.

It's always nice to be recognised for your hard work; and this quarter, we've received recognition in abundance! Shortlisted for **3 Marketing & Digital Recruitment Awards**, **2 IRP Awards**, and **1 National Online Recruitment Award**, we will be attending the various ceremonies throughout the month of November. Fingers crossed!

And the celebrations don't end there - we've already picked up one award this season! **Give A Grad A Go are thrilled to have won Best Small to Medium-sized Business at the Best Business Awards**
